

THE UNIVERSITY OF QUEENSLAND

Research Scholarships

Current Research Scholarships available in the
School of Veterinary Science

Dr David Galbraith Postgraduate Research Scholarship in Companion Animal Health

Area: School of Veterinary Science

Salary (FTE): \$27,500 per annum

Work type: Research Higher Degree Living Scholarship

Location: Gatton

The scholarship was established in 2013 and is maintained by an annual gift from Dr David Galbraith. The purpose of the scholarship is to encourage and support meritorious students to pursue postgraduate research to improve the health and quality of life of feline and canine companion animals. <https://www.uq.edu.au/senate//filething/get/1203/Sched-A-PG-Research-Scholarships-20-08-15.pdf>

The person

Applications are open to current or future domestic (i.e. Australian and New Zealand) PhD/MPhil candidates in the field of veterinary science. Award of the scholarship will be based on:

- the applicant's academic performance/potential as a MPhil or PhD student; and
- strength of interest shown in companion animal health; and
- any other matters the selection committee sees fit.

Remuneration

The stipend will be AUD\$27,500 per annum tax free for three years.

Applications

For further information and the application form please contact Annette Winter:

vet_rhd@uq.edu.au

Advertised: 26 October 2015

Applications close: 15 January 2016 (5:00 PM) E. Australia Standard Time

George Osborne Research Scholarship

Area: School of Veterinary Science

Award Value: \$5,000 grant

Work type: Research Higher Degree Grant

Location: Gatton

The George Osborne Research Scholarship was established in 2009 in memory of the late Dr H. George Osborne, and is maintained by an annual donation from his family. Dr George Osborne contributed to the pastoral development of Australia through his work in veterinary science. <https://www.uq.edu.au/senate//filething/get/1203/Sched-A-PG-Research-Scholarships-20-08-15.pdf>

The person

The Scholarship is open to domestic PhD students engaged in beef cattle or sheep research, including production, reproduction or medicine research in the School of Veterinary Science.

Citizenship: Australian, Permanent Residents or NZ citizen

Award of the scholarship will be based on:

- academic achievement and potential for scholastic success;

- the location of the research to be conducted, preference being given to candidates whose research is conducted at the Goondiwindi Pastoral Centre; and
- any other matters the Head of Veterinary Science sees fit.

Value

The value of the scholarship is \$5,000 and awarded in a one off payment.

Tenure

The scholarship may be held for up to 1 year.
